RESIDENTIAL PROGRAMS

Welcome!

We are very pleased that you will be joining us here at The University of Iowa for one of our many pre-college summer programs. This Student Handbook, in combination with the [Summer Housing Guidebook](#), is designed to answer your questions and to help you and your parents know more about what to expect when you arrive on campus.

Each member of our Resident Advisor (RA) Staff completes training that focuses on providing a safe, comfortable, and enriching environment. We assume responsibility for students 24 hours a day and keep our student-to-RA ratio at approximately 10:1.

We believe that you will have an exceptional academic and social experience as part of the Belin-Blank Center Summer Programs and look forward to seeing you soon!

There is a parking ramp ([North Ramp](#)) located between Catlett and the Blank Honors Center. To reach the ramp, go south on Clinton to Market St., turn right onto Market, go to the end of the street, and turn right onto Madison Ave. Follow Madison to the parking ramp entrance. Take the elevator to the upper level of the ramp.

Residential Life

You'll be staying in Catlett Hall! This will be your home during your stay on the UI campus. A meal plan is included in your program registration fee, so students will not need to bring food with them. To make this experience rewarding and fun for everyone, we have some basic guidelines and other information to ensure the comfort and safety of you and your fellow residents.

Residence Hall Staff

The Resident Advisors (RAs) will be living on your floor and will be assisting you throughout the program. There will be several different programs taking place at the same time, each with its own RA staff. Each member of our RA staff completes training that focuses on providing a safe, comfortable, and enriching environment and are under the supervision of the Belin-Blank Center administrative staff. We assume responsibility for students 24 hours a day and keep our student-to-RA ratio at approximately 10:1.

Check-in/Check-out

On the opening day of your program, check-in will be held from 1:00-3:00 pm in the lobby of Catlett Hall. If you will be arriving by public transportation, please notify the Belin-Blank Center in advance. Students should be completely checked-in before 4:00 pm.

You may check out of the residence hall any time before or after the closing on the final day of your program. Once you have all your belongings out of the room, lock the door behind you and return the key to the Catlett Hall front desk, where desk staff will officially check you out of your room. Please be aware that you will be charged for any repairs or replacements in your room. When leaving, be sure to double-check your room so that you don't leave anything behind.

Roommates

Each room will have two (or three) students participating in the same program. Living in a close group, you will likely develop friendships and learn a great deal about people. It is important for you to respect other people and their rights. Privacy is important to people, so remember, if you play music or want to talk to a friend, keep the volume low. Keep your room neat and keep in mind that you are sharing your living space with others.

Residence Hall Floors

Males and females are assigned to separate floors. At no time is a student permitted to be on an other gender floor or in an opposite gender room. This includes stairwell landings, floor lounges, or RA rooms. Special accommodations are available to students with health concerns or for those who do not identify as male or female.

Students generally have free time Sunday mornings until noon. Those who would like can get caught up on correspondence, laundry, or reading. If you like to sleep in, this is your chance! You may also sign up to attend religious services.

Sunday lunch is served in Catlett Dining Hall between 11:30 AM and 1:00 PM.

Visiting Students

Parents are encouraged to visit the campus any Sunday morning during the program. Students may leave campus with their parents and/or guardian(s) during this time and should return no later than noon. Each student and their parent will sign a release form before the student leaves the residence hall. A staff member will be on duty Sunday mornings to facilitate this process, and the student should report to the staff member on duty when he or she returns to the residence hall. If the student will be leaving with anyone other than a parent or guardian, the program office must have written permission from a parent or guardian before the student will be allowed to leave. Any other visitation or requests to go off-campus will be considered individually by the program director.

Rules & Regulations

General safety and respect for others will be expected at all times.

Students are subject to all applicable laws of the United States and the State of Iowa.

- Students and their parents/guardians are expected to be aware of, and agree to, the [Health Policy](#). These regulations include a provision that in the event that the student contracts any contagious/infectious diseases, the parents will have 24 hours to arrange for the student to be picked up from the program. We will not house any student with a contagious/infectious disease for more than 24 hours.
- Students are expected to remain under the supervision of the Belin-Blank Center staff and faculty from the time they check in until the time they check out. Students are expected to attend all classes, meals, and activities. Students should not plan to leave the program for any reason other than emergency situations during the program. In the event of an emergency, parents must notify a Belin-Blank Center staff member before removing their student from the program.
- Because building a learning community is an important aspect of our program, students may not have guests or visitors other than family during their stay. We encourage parents to limit visitation to the closing at the end of the program. Parents may make arrangements to visit on Sunday mornings by contacting the Belin-Blank Center in advance. Parents who wish to visit at other times are asked to contact the Center in advance.
- Students are expected to behave in a respectful and responsible manner toward all Belin-Blank Center staff, faculty, and students. Inappropriate behavior may result in disciplinary action, including termination from the program. All students are bound by the housing regulations listed in the student handbook, [The University of Iowa Code of Student Life](#), and all applicable federal, state, and local regulations.
- The University of Iowa QuickCare or University of Iowa Hospitals and Clinics will provide any needed medical services, and the student and their parents/guardians must pay the expenses of such services. A staff member will accompany the student for any health-related treatment and every effort will be made to contact parents concerning treatment.

- When applicable, the program fee covers tuition, room, board, texts, and activities, which are scheduled as part of the program. Incidentals, such as laundry and personal expenses, are not included in the fee. No refund will be made in whole or in part for any student withdrawn or terminated from the program for any reason after June 1st.
