01 Benefits of IOAPA courses

The Iowa Online AP Academy framework works with students' high school curriculum so that all online college-level courses are challenging and of interest to them. As an approved AP sponsor, IOAPA offers flexibility with traditional courses may not in terms of scheduling, and allows students to be challenged in a supportive environment.

02 Why AP?

Iowa Online AP Academy students who take the AP exam generally perform just as well as students who participate in traditional AP courses. Students are allowed to take Iowa Online AP/Academy courses also tend to successfully complete them. During the 2018-2019 school year, the completion rate was 98.3%, with 95% of students successfully passing their course.

While there are multiple options for completing post-secondary coursework during high school, AP courses are generally higher quality, with rigor and quality of content more comparable to four-year universities. In addition, Advanced Placement classes are nationally recognized as a quality way to earn college credit at many colleges and universities across the nation. Studies consistently show that students who earn a 3 or higher on an AP exam:

1. Perform well in subsequent college courses in the discipline
2. Perform well overall in college
3. Are more likely to graduate in four years
4. Are more likely to choose more courses in their major or a related discipline
5. Are more likely to have better outcomes in college compared to students who do not take dual enrollment courses.

Why AP?

The following benefits will provide students with a competitive edge and a comprehensive understanding of AP coursework:
